Why become a Sponsor?

The Missions of the AIHA–RMS and ASSP Colorado Chapter are to provide cost-effective continuing education opportunities to the local health, safety and environmental professionals. We can only meet this goal with the assistance of companies and organizations like yours who share our values.

Members in the AIHA–RMS and ASSP Colorado Chapter have referred you as a valued provider of safety and health services and supplies used by their companies. We are asking you to return that support and consider becoming a Sponsor of our annual Fall Technical Conference.

We have six Sponsorship levels to choose from. See page 3 for benefit details.

Platinum	\$3000
Conference App	\$2000
Gold	\$1000
Silver	\$500
