# THE EXPOSURE

Fall 2019

## President's Message - Mwangi Ndonga

Friends, I have two requests. The first: Attend the Fall Tech Conference! This gathering will recharge you and allow you to advance the profession through discussion with your peers. Details regarding the FTC and other events are found below. The second request: Volunteer. There will be opportunities to volunteer on our 2020 Board and join our committees. We will communicate those soon. At the moment, there is an opportunity below to nominate a section member for IH of the Year. See you at the FTC!!
